Baptist Church People Bid Farewell to Walls

After their regular prayer meeting, Wednesday evening, the members of the local Baptist Church served a delicious luncheon, in honour of the leaving of the Wall family.

Infant Passes.

The infant son, Gordon Roy, of Mr. and Mrs. A. A. Harnack, passed away Saturday, November 30th, the day after his birth. Funeral services were held on Monday and interment was made in the Crossfield cemetery.

Old Timers Round-Up Successful Event

Another event of the season turned out successful, when the Annual Round-Up of the Crossfield and District Old Timers Association was held Wednesday last, in the U.F.A. Hall, with a good crowd present. A banquet, prepared by G. Lim, was served by the ladies, under the directorship of Mrs. Robinson. A good staff of waitresses made things most comfortable for all and a good time was enjoyed. The hall was also tastefully decorated by the ladies, with Royal Emblems, pictures of the Royal family and flags of the countries of the Empire. T. M. Mair had charge of the lunch tickets.

Mr. J. R. Laur, president of the association, was in the chair. A short programme followed, during which the Vice-President Mr. A. M. Wygle, presented the notices of the deaths of the members and all stood in two-minute's silence. The Rev. A. D. Currie, S. R. Hunt and Mrs. Graham, of the Native Son and Daughter Association of Calgary gave very interesting addresses.

The grand event was topped off with a dance, to the music provided by Fitz and his Fiddlers of Calgary. W. H. McCool was floor manager, while Messrs. E. Meyers, C. Aemussen, F. Ruddy and C. Becker commanded the doors. The happy crowd broke up at 3:00 a.m., delighted to have met and sorry to part.

UNITED CHURCH NOTES.

Service at Madden next Sunday.

We wish to voice appreciation of the favours extended by the publishers of this paper during the past and our regret at their removal from Crossfield. We have always been given kindly and courteous consideration. We wish them well.

We extend greetings to the incoming publisher and look forward to pleasant associations.

A joint meeting between the East Community Hall committee and the Serenaders Orchestra was held on November 30th, at which time arrangements were made for a series of dances at East Community throughout the winter months. The first of these dances to be held on Friday, December 8th. Every effort will be made to make these dances the success which is the usual thing at this hall.

Worthy Of Honourable Mention

Harry Fitzpatrick, Honorary Secretary Treasurer for the Crossfield Branch of the Canadian Red Cross Society, is to be congratulated upon the splendid manner in which he carried out his duties. His job was a particularly heavy one having in mind that the membership alone numbered 347 and receipts had to be made out for every cent collected. The Auditor reports that records and returns were prepared in a most satisfactory manner.

Crossfield Chronicle Changes Management

After this week the Crossfield Chronicle will be under the management of Mr. Marshall, of Dauphin, Manitoba, who is taking over the business after December 9th.

It is hoped that the support rendered the present publishers will be continued.

Floral U.F.W.A Meeting

The December meeting of the Floral U.F.W.A. will be held at the home of Mrs. A. Montgomery on Wednesday 13th, at 2:30 p.m. Members are reminded that this is the annual meeting for the election of officers, and a full attendance is requested.

Post Office Notice.

The Postmaster wishes to make clear that all parcels, whether sent by letter rate or parcel post, if addressed to places outside Canada, MUST have a Customs Declaration saying the contents and value.

Declaration forms are given away free at the post office. The Customs Officer warns that parcels without these will be delayed.

All silk goods to Great Britain must be sent parcel post rate which is 24c per pound.

Please note that postage on Christmas cards without writing and in open envelope is one cent, and three cents if sealed. Post card rate is two cents and air mail in Canada is six cents.

School Trustees

Elected by Acclamation

J. M. Dundas for Subdivision 1, and W. H. A. Thomas for Subdivision 2, were both re-elected by acclamation in the election for school trustees for the Olds School Division No. 31, at the nominating meetings which were held on Monday, November 27, and Tuesday, November 28.

The meeting for Subdivision 1 was held at Freestone School and for Subdivision 2 at the Olds School of Agriculture.

Both candidates were elected for two years.

The hold-over trustees, who will serve for one more year, are W. H. Davies, J. H. Robertson and George A. Burns.

Dramatic Society.

About forty members and guests were present at the social evening of the C. D. S. in the Masonic Hall on Monday evening December 4th. Dancing, including several novelty dances was enjoyed by all to the music of Mr. D. Fleming and Mrs. V. Patmore. The evening was brought to a close with lunch being served by the Social Committee.

It is unfortunate that a number of members were unable to attend and enjoy the very successful evening, however, we look forward to them being with us again.

A great deal of credit is due to the Social Committee of the C. D. S. and we trust that another such evening may be forthcoming some time later on in the season.

A play has been chosen and is being cast by the Dramatic Committee. Watch for the announcement.

Anyone wishing to join the club, is welcome to attend the next meeting, which will be announced in the near future, or by contacting any one of the officers of the C. D. S. which are listed in this paper.

President, W. Walker; Vice, President, C. H. McMillan; Sec., Miss A. Cameron; Treas., H. A. Bannister; Pres. Dramatic Com., S. Willis.

Crossfield Chronicle Under New Management Next Week

Once upon a time, not so long ago, but in February 1936 W. H. Miller sold his interests in the Crossfield Chronicle to Mr. G. Y. McLean, who operated same for a period of two years. The present publishers, having been Mr. McLean's employees, took an interest in the plant that made them somewhat anxious to take over. The chance came, when, at the end of 1939 Mr. McLean accepted an offer elsewhere.

After this week the Crossfield Chronicle will be under new management, the same paper will be published but the material will be different. The lull of the printers love song will still remain in the good old presses, as the papers are printed week after week.

Enough of that, but the printer's love song, which comes from the machinery, when in operation, is a song never to be forgotten. However, the new editor and publisher will be Mr. H. H. Marshall, of Dauphin, Manitoba. Mr. Marshall has spent a number of years in the newspaper business, having at one time been stationed at Champion, Alberta; so he is acquainted with the province and will at once realize that the new district he is about to serve lies in the heart of the best mixed farming district in the province.

We take pleasure in introducing the new editor to our readers and supporters, through whom only a paper in Crossfield is made possible.

As time has slipped by, news came into the columns of this little paper. We are reminded of occasions when once in a while a supporter would call in and give us a real boost, saying, "Well boys, you published a good paper this week." Then usually after the heartfelt encouragement some other supporter would call and tell us how much he disliked the paper, and that such a news item was wrong and that the next time we should publish an apology. This has, in most cases, been done, but in the cases we have failed, to do so, we trust that the offended will be kind enough to forgive and forget, and that in the event we meet again, we can be the best of friends. It is most natural for people to get discouraged when a poor hand has been dealt, but, as we have cast aside the results of our blunders and had a smile for our friends and enemies alike, let us continue to do the same and be friends forever, under the flag we support.

As our last opportunity we extend our sincerest wishes for a very merry Christmas and a bright and prosperous New Year.

Goozles

Learning of the hockey fan that was hit over the head with a hockey stick, etc., and that he swallowed his tongue, Tommy Stamp wondered whether it had come right off. We hope not, Tommy, and if he did, it would be hard to digest.

A certain party says some people don't like the truth. How is it?

Miss A.C.M., Miss M.L.H. and Miss J.C., three prominent young ladies of the local high school, still believe in Santa Claus. Have you got your stockings darned, girls? (et'd)

LETTER TO THE EDITOR

Water Valley,
December 1st, 1939.

Editor, Chronicle.

Dear Sir:

E.M.C.'s letter on very
necessary debt was a "Gem" and
the one of November 23rd was
very little better. How any
person in this age can write
such stuff amazes me.

Ice may not be wealth at
the North Pole, but it would
quench your thirst, but what
would a dollar bill be good for.
Such arguments have no point
and until E.M.C. grasps the
difference between wealth and
claims to wealth, his ideas will
always be muddy and that is
the way the financier wants it,
Arthur Kitson, one of the great-
est thinkers of his time says,
"Money is merely a title to
wealth, it is redeemed every
time it is accepted by the public
for goods and services and needs,
no gold redemption." If Mr.
Dav had \$50,000 he would
probably leave W. V. and go
some place where he could ex-
change it for real wealth of the
things he needs. Nobody wants
money for itself, but for what it
can be exchanged for. Liars and
cheats should not hold responsi-
ble positions for long. I agree
but just watch Ottawa from a
Union Govt and hang on.

The World of Wheat.

By H. G. L. Strange

After several years of heart-
breaking drought, this last year
good rains once again came over
the greater part of our prairies,
and so many farmers are now
enjoying increased incomes from
the generous crops.

The history of the West tells
us, however, that sooner or later
one or more drought years again
will come.

One of the first Ministers of
Agriculture in China—the Mar-
shal Hsu—over 2,000 years ago,
advised the Chinese farmers
located in the semi-arid or
drought areas of China, to put
by some money, some seed and
feed in the good years, to help
them tide over the dry years,
which he warned would certain-
ly come again sooner or later.

The Hon. Mr. J. G. Taggart,
Minister of Agriculture for
Saskatchewan recently, in al-
most the same words, gave the
same advice to our prairie
farmers.

After the severe difficulties
imposed upon our farmers by
the recent long drought years,
this good agricultural advice
cannot, of course, be taken by
all, but those farmers who can
manage this year to put by a
little money and seed and feed,
would certainly have a valuable
financial "sheet anchor", or
"lifebuoy", that would help
them to keep afloat when the
bad years once again come around.

Big Town

Ona Munson, who plays the role of "Loretta" the society editor on "Big Town," loves to bowl, and often slips away from work for a few rounds in a bowling alley not far from Columbia Square Playhouse. The other day she gave an elderly patron of the place the thrill of a lifetime. He had long admired Ona's work on radio and screen, and decided this was a time made to order to tell her about it.

After that he offered to keep score for her, and Ona learned in the course of his chat that he had never seen a broadcast. When she left, Ona fished a pass to the "Big Town" program from her purse and handed it to the old man, saying, 'Maybe you'd like to see the show some
